Letters sent home & e-School messages this week: Y5 Trip to Neasden Temple, EY Sports Day, MMR Vaccine, Eid Celebrations, Sports Day Postponed (Y1-Y6), e-Safety Resources, Y3 Cricket Event, Sex Education Presentation (Y4-Y6)

Dear all

My apologies for the disruption that having to postpone Sports Day for years 1 to 6 will have caused. The ground is very wet and definitely not fit for running races or a picnic. We're all hoping for better weather on the 12th July, our reserve date. We are also hoping that Early Years Sports Day can take place next Wednesday, but the forecast is not good. A decision will be made and communicated as early as possible on Tuesday.

Thank you for your donations for Bags 2 School. The money raised will soon find its way into the account of Highworth Friends and then very quickly to us at school!

The E-safety workshop held yesterday was well attended, but if you were not able to come along, the presentation and other resources will be shared with all by eSchools. Please look out for it. My thanks to Mrs Mills for organising and running the event.

Yesterday, we had a celebration for Little Warriors (our Nurture Group) past and present. Little Warriors now in Year 6, were the first such group and they were very excited to go back as guests to the Nurture room for a party. Even more exciting was that Mrs Upfield was able to visit after a prolonged period of ill health.

Finally, I wish all celebrating, Eid Mubarak! I hope you have a joyous time with family and friends.

Best wishes for a happy weekend

Clare Pankhania

PARENT WORKSHOPS

Science

Stories

Buckinghamshire Family Learning

How can I make science fun and practical using books and storytelling?

How can I extend my child's scientific vocabulary and understanding in a fun and engaging way?

Chemistry

Join our free science workshop where you will gain the skills to bring chemistry concepts to life through sensory story telling. Gain confidence to identify chemistry concepts and have the language to explain them.
