

Monday 20th April

Literacy/Communication

Play 'I spy...' with colours.
I spy with my little eye something coloured...'

Mathematical Development

Using empty boxes, can you build a tower? How many boxes can you balance on top of each other before it tumbles? What is the tallest/shortest tower you can make?

Knowledge and Understanding of the World

With your family go on a mini beast hunt. Look in the garden or outside your home for different types of mini beasts. What can you see? Where did you find them? Can you name them? Don't forget to return the minibeast back where you found it.

Physical

Play a game of musical statues. Play and move to the music. When the music stops. Can you stand still like a statue?

Personal and Social

Creative

Can you look in a mirror and draw a picture of yourself. Look at your features, what colour eyes do you have? How many eyes do you have? What colour are your eyebrows?

Tell your family about your picture.
Do you have a happy face? A surprised face? Can you pull a funny face?

Using a variety of different materials from around the house, can you make an instrument? Practice making loud music, gradually getting softer and quieter.

Do you know any songs about making music?
You could make up your own to the **Old McDonald** song:

***“Old McDonald had a band - EIEIO
And in that band he had a drum -EIEIO
With a bang-bang here! And a bang-bang there!
Here a bang, there a bang! Everywhere a bang
bang!!
Old McDonald had a band - EIEIO!”***

How many other instruments can you put in Old McDonald's band?
