

Year 1 Home Learning – 2nd half of Summer Term

Below, you will see 6 home learning tasks. You may choose the tasks that you wish to complete and do them in any order.

Please do not hesitate to contact us if you have any queries.

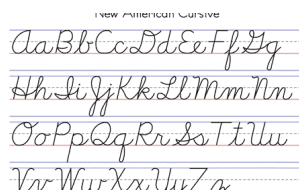

Information text

Choose your favourite animal and create a poster including some amazing facts.

Handwriting

Practice your handwriting at home and bring it in to put on our handwriting wall. Try writing a sentence about yourself.

Geography

Find out what sort of food they eat in different countries. Draw and label pictures to share what you found out.

Cheese, olives,
pepperoni pizza -
Italy

In the past

Find out about farming in the past. How did farmers plough their fields, how did they harvest their crops?

Can you make a booklet with some pictures and facts in.

Make a salad

How many different colours of vegetables can you use to make your salad? Take a photo or draw a picture and bring it in to show your friends.

Super Science

Can you make a farmyard puppet out of card and do your own shadow puppet show?
