Dear all

With one week until the big day, we are mostly focused upon our birthday party, taking place on Friday 26th June. More about that below!

However, a couple of points to note first:

Inset days for academic year have been agreed by Governors so you can now find the term dates for the year 2027-2028 here:

https://www.highworth.bucks.sch.uk/web/school_day_and_term_dates/295808

We have a vacancy for Learning Support Assistant to join our team. Details are here:

<https://jobs.buckinghamshire.gov.uk/search/?query=highworth+combined&postcode=#>

On Thursday and Friday this week, all the children were busy planting! We now have a new coppice area, an arboretum and a wild flower hillock, all within the small field at the top of our playgrounds! We cannot wait to see the results of our planting develop over the seasons to come. If you use the back gate from close to Freemantle Road, you will see this newly planted area. Please may I ask that you supervise your child as you come and go so that the area remains in the condition we have worked so hard to achieve. Next week, we will be learning about the connections between the species we have planted and various native butterflies we hope to attract to our grounds.

Best wishes for the weekend ahead.

Clare Pankhania
