

Year 1 Home Learning – 1st Half of the Autumn Term

Below, you will see 6 home learning tasks. You may choose the tasks that you wish to complete and do them in any order. Please do not hesitate to contact us if you have any queries. 😊

Billy Goats Gruff

Make up your own story about the Billy Goats Gruff. What adventure did they go on?

Tell us what else they got up to and don't forget to illustrate it!

Word processing

Make a poster of all the technology that you use at home or in school. Tell us the rules that you have to follow when using it.

E.g.

Set a timer.

Ask your adult.

Never share your password.

Practising portraits

Ask someone if you can draw a portrait of them. Try using thick and thin lines to draw their eyes, nose, mouth and hair.

In the past

Ask a parent what toys they liked to play with when they were a child.

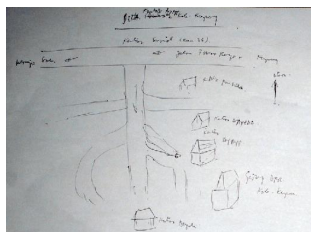

Draw a picture and label it.

Local Area Walk

Go on a walk in your local area – near where you live.

Draw a map to show what landmarks you walked past.

Super Science

Have a look around your house. What materials can you spot?

Make a list of all the different materials you managed to find!

Such as: metal, glass, plastic, fabric and wood.

In addition to these, please remember to spend 10 minutes daily reading and 5 minutes on your common misconception words; as well as 5 minutes on your number facts.
