September 2020

Dear prospective parent

I am so sorry that current circumstances mean that we cannot welcome you in person to our wonderful school. Whilst offering a 'virtual' alternative cannot really replace meeting staff and children face to face, we will do our best to help you decide if our school is right for you and your child by offering the following:

- A video tour of relevant areas of our school. This is available to view at any time on our school website using this link:  
[https://www.highworth.bucks.sch.uk/web/information\\_for\\_prospective\\_parents\\_/505065](https://www.highworth.bucks.sch.uk/web/information_for_prospective_parents_/505065)
- A 'zoom' meeting with myself and other prospective parents. I will give a short presentation about the ethos and values of our school, and then conduct an informal question and answer session. These will take place at various times during the Autumn Term. Please phone the office on the number shown above to book attendance and receive joining instructions. Dates for the meetings are shown on the 'calendar' section of the website which can be found using this link:  
<https://www.highworth.bucks.sch.uk/web/calendar/189862>

I look forward to seeing you on screen sometime soon!

Very best wishes

Clare Pankhania
