

## Year 4 Home Learning – Second Half of the Spring Term

Below are the home learning tasks for this half term. You may do them in any order and give to your teacher each time you have completed one. We look forward to seeing your completed home learning 😊

<b>Super Science</b>  As you go about in your local environment look for evidence of how humans impact our environment. Make a list of positive impacts on the environment, and negative impacts on the environment.	<b>Geography</b>  Thinking about the Amazon Rainforests and the diversity of life. (the plants and animals that call it their home) Create a poster that provides information on the rainforest and persuade people to look after and protect rainforests of the World.
<b>Maths:</b>  <b>Multiplying and dividing by 10 and 100</b>  Make your own digit cards from 0-9 or use a dice to create your own 2-digit, or 3-digit numbers. Make four operation cards with $\times 10$ , $\div 10$ , $\times 100$ , $\div 100$ Select one operation card and do what it says to the numbers you made. e.g.  = 450  <b>Terrific Times Tables</b> Learn and create a poster showing the times table in writing and pictures for $\times 6$ , $\times 7$ and $\times 9$ . If you are confident with your timetables, choose a time limit and see how many questions you can answer in that given time. Try again and see if you can improve! <i>Challenge: Show the division facts for each times table.</i>  <i>Use these links to practice.</i> <a href="https://www.topmarks.co.uk/maths-games/hit-the-button">https://www.topmarks.co.uk/maths-games/hit-the-button</a> <a href="https://www.topmarks.co.uk/maths-games/daily10">https://www.topmarks.co.uk/maths-games/daily10</a>	<p>Or</p> <p>Using your knowledge of the conditions in each of the layers of the rainforest, design and label a new animal for a layer of the rainforest. Describe your animal and explain what characteristics make it suitable to the layer you chose.</p> <b>English</b>  Research your favourite rainforest animal and create an information text on your chosen animal.  OR  Write a suspense story that is set in the rainforest. Remember to include all the features of a suspense story.
<b>FRENCH</b> Make a poster of French numbers and colours.	<b>PSHE</b> Make a list of kind deeds you could do for others. Look for opportunities in your day to do random acts of kindness.

In addition to the tasks above, please remember to spend 15 mins reading and 10 minutes practising your number facts daily.
