

Year 6 Home Learning – 2nd Half of the Summer Term

A day in the life of... Could write a recount about a day in the life of someone at Highworth? It could be a: <ul style="list-style-type: none">- Student- Teacher- Parent- A teddy in the reading corner or even....- The school dog! Become that character and let us see the world through their eyes		Groovy Geography! In Topic we are studying the Maya civilization. Can you research some more about the geographical whereabouts? Could you present this information with a comparison to modern day times or England?	
Maths Can create Maths game that will practise skills for fractions, decimals and percentages. Some games you may like to take inspiration from: <ul style="list-style-type: none">- Snakes and Ladders- Pairs- Who am I?- Bingo- Four in a Row Or it can be a completely new initiative! We look forward to playing some of these games.		Moving onto pastures new As this is your last term in year 6, could you write a poem about your time at Highworth Combined School? It could include: <ul style="list-style-type: none">- <i>Memories</i>- <i>Things you’ve learnt</i>- <i>Achievements</i>- <i>What you are most proud of</i>- <i>Something you’ve enjoyed</i>- <i>What you’re looking forward to next year</i> You may also choose to write it in the form of an advice poem for futures students entering Year 6. The poem can take any form you would like.	
French Can you create a French menu for a café? We will use these in our French day coming up this term! Don’t forget to use euros and research some French food items.	Speaking and Listening Make sure you dedicate some time each day to learning your lines for the show as well as the song lyrics.	Design a set! Our production is coming up and we need a set! Could you help us to design one? Chose a scene from the show and let your imagination run wild! Remember to consider the materials we’ll need and label it out too.	

Please remember to spend 15 minutes reading and 10 minutes practising your maths facts, particularly times tables and multiplying/dividing by 10, 100 and 1000 every day.

If you would like to do any more work at home, you can work on other Maths or English statements shown on the Highworth website: www.highworth.bucks.sch.uk > [children](#) > [curriculum targets](#) > [year 4 targets](#)
