Letters sent home & e-School messages this week: Parent Workshop & Link to Recording, Heights & Weights Screening (Rec), Ifthar (Y4-Y6)

Dear Parents and Carers,

As we come to the end of what may well have been *the wettest half term on record*, we would like to thank you for your continued support. It has certainly felt as though we have spent an exceptional number of break and lunch times indoors; none of us can quite remember so many wet plays in such a short space of time!

Thankfully, the children have taken it all in their stride and have thoroughly enjoyed making good use of the games and resources available in their classrooms. We are, however, very much looking forward to lighter mornings and evenings when we return after the break, and hopefully the occasional glimpse of sunshine.

Despite the weather, there has been a great deal of learning taking place across the school. At this point in the year, children are settled, confident, and benefiting from the strong and familiar relationships they have formed with staff and their peers. It has been wonderful to see their progress.

A reminder that our Readathon continues, and the half-term holiday is an excellent opportunity to gather sponsorship from friends and family. Thank you in advance for your support with this.

We also have a couple of upcoming events to be aware of. On Thursday 5th March, we will be holding our annual Ifthar celebration for pupils in Years 4 to 6. Further details were shared yesterday, but if you require any additional information, please contact Mrs Bennett.

Our Parent and Carer Consultation Evenings will take place on 10th and 12th March. More details about booking appointments will be sent out after the break.

Wishing you all a restful and enjoyable half term. We look forward to welcoming the children back on Monday 23rd February, refreshed and ready for the weeks ahead.

Clare Pankhania

READATHON

Goal to raise: £1,000

Amount raised so far: £283.68

This is a reminder that Highworth Combined School & Nursery's Readathon is in full swing! It will be running until Friday 27 February 2026. All children can take part by reading, or listening, to anything they enjoy—books, comics, e-books, blogs, or even audiobooks. By collecting sponsor donations, pupils will help provide new books and storytellers for children in UK hospitals, while also earning free books for our school. Families can support the Readathon and make donations online using this link:
