

## Year 2 Home Learning – 1<sup>st</sup> Half of the Spring Term

Below you will see 6 homework tasks. You may choose the tasks that you wish to complete and do them in any order. Please do not hesitate to contact us if you have any queries.

### Dear Diary...

Keep a diary for a week. Remember to write what happened in order, include lots of detail and use interesting words.

### R.E. - Stories with a Meaning

The children have been learning about stories with meanings in R.E.

Think of another story that you have read which has a meaning. Write a few sentences to explain the meaning of the story and draw a picture to go with the story.

### Poetry

Find a poem that you like in a library book or a book that you have at home.

Try to learn all or some of the poem. When you have done this, tell your teacher and you will be able to recite it to the class!

(There may be a **Green Card** as a reward!)

### In the past

Samuel Pepys wrote a diary about The Great Fire of London. What interesting facts can you find out about his life?

### Measuring

Find 10 things in your house that you think will measure less than 30 cm. Use a ruler to find out how long they actually are. Make a table to show the object, your prediction and the results:

<u>Object</u>	<u>Prediction</u>	<u>Measurement</u>
Pencil	12 cm	13 cm
Water Bottle	23 cm	26 cm

### Mini-beast Hunt

Go into your garden, or the local park, and write down all the mini-beasts that you can find. Make a list of the creatures and draw a picture to show what they look like.

Can you find out any exciting facts about the mini-beasts that you have found?
