At Highworth we take safeguarding of our children very seriously. If you have any concerns about a child, please complete the relevant document on Behaviour Watch. The concerns raised by staff will be evaluated on an individual basis and a decision made about next steps. If a referral to Social Services is deemed necessary, the appropriate actions will be taken. If a referral to Social Services is not warranted, the child and the related concerns will be monitored by school staff to continue to ensure the safety and wellbeing of the child.
